

# 3 WAYS TO KEEP YOUR EMPLOYEES HAPPY

... with an automated workforce management solution.

Happy employees = happy employers. Employee satisfaction is an essential part of attracting and retaining top talent. Here are 3 ways to elevate morale and keep your employees happy:

## 1 Ensure payroll accuracy

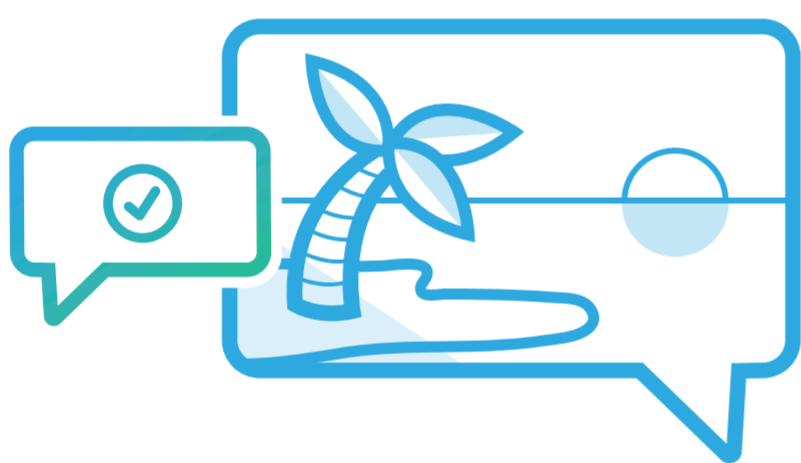

48% of employers don't learn about payroll errors until an employee complains<sup>1</sup>.

Human error is the number one source of accounting errors<sup>2</sup>.

## 2 Improve communication around time off

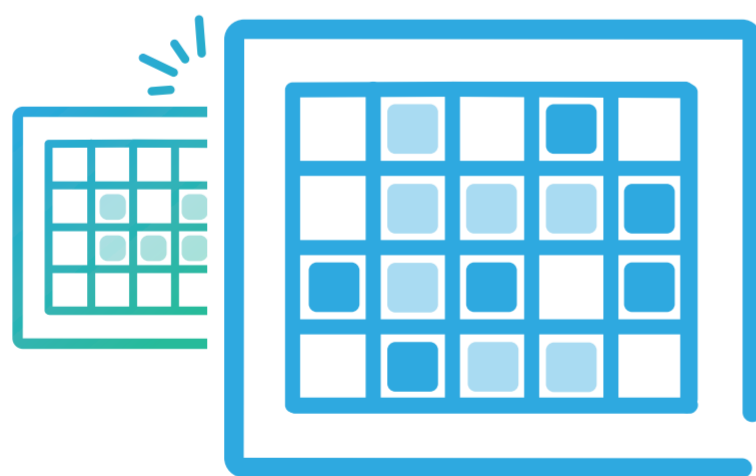

Australia's full-time workers have accumulated **124 million** days of annual leave<sup>3</sup>.

That's an average of **21 days per person**<sup>3</sup>.

## 3 Offer flexible scheduling tools

Only **33%** of organisations allow workers to swap shifts with qualified peers<sup>1</sup>.

Only **39%** allow employees to designate availability<sup>1</sup>.

Keep your employees happy with our automated workforce management software—built for 'Making Work Easy' across all locations and employee groups.
