

Trust Us, Your Employees Will Love EmpLive®

HERE'S WHY

User friendly and gives employees access to timesheets and rosters.

- Easy to use, cloud-based system enables access anywhere, anytime
- Self-service functionality provides immediate access to timesheets and rosters and empowers your employees to control their work/life balance
- Multiple channels for communication allow seamless interaction between managers and employees

Accuracy, efficiency & transparency like never before.

- Automated time tracking with biometric authentication guarantees efficiency, precision, and security
- Seamless, quick cloud updates keep system relevant and current with policy changes
- Detailed reporting assures complete transparency in pay and awards processes

Local domain expertise & support you can trust.

- A system designed by Australians, for Australians certifies the know-how for complex government legislations specific to Australia
- Australian-based support centre ensures a quick resolution to any issues that may arise
- Over 300 top Australian companies rely on EmpLive for their success.
